

WHAT WE DO

Secular Coalition for Arizona is the first state-level organization with a full-time professional lobbyist representing Arizona's secular voice to government officials.

We:

- Advocate for the equality of all Arizonans, regardless of religious belief or nonbelief.
- Lobby elected and appointed officials on issues that affect church/state separation principles.
- Encourage growth of liaised organizations to increase our supporters' visibility, strength and legislative influence.
- Inspire the various secular communities to connect secular Arizonans and encourage all to become civically active.
- Engage with the media in order to educate the general public and influence leaders about the need for secular public policies.

WHAT WE PROVIDE

We give our supporters the opportunity to impact legislation and protect church/state separation in Arizona through events, communications and interactions:

- *Action Alerts.* Receive updates on bills we support or oppose, along with ways to take action and make a difference.
- *Bill Tracker.* Track bills' legislative status and learn about potential impact if passed into law.
- *Email Updates.* Keep up with our advocacy progress, challenges, activities and events.
- *Secular Lobby Day.* Join like-minded Arizonans from across our state at the Capitol. Meet with legislators and hear from representatives and senators who support secular government at this interactive annual event.
- *Advocacy Rallies.* Rally with other supporters to impact legislative outcomes and voice opposition to bills that cross church/state lines. We'll notify you of upcoming rallies and explain why it's important to attend.
- *Annual Legislative Wrap-up Report.* Learn what went on during legislative sessions, including challenges to secular public policy, our actions and progress, senators and representatives who supported our efforts, and perspectives on future obstacles and opportunities.
