2020 Candidate Survey (due June 30)

Dear Candidate:

The Secular Coalition for Arizona is a 501(c)(4) nonprofit advocacy organization that works to ensure a secular state government. We lobby on behalf of all individuals who believe that public policy free of religious preference is the best way to ensure freedom of conscience for Arizonans of all faiths and of none.

We also represent the Arizona nontheistic community – a vibrant and growing community of Arizonans who self-identify as atheists, agnostics, humanists, freethinkers, and other labels of personal choosing – to elected officials and government bodies in and from Arizona. We mediate the relationship between the nontheistic community and elected officials.

Secular Coalition for Arizona is operated by a board of directors and executive staff, and receives policy influence and comment from diverse liaised secular groups throughout Arizona.

Although we have been asked many times by our supporters to do so, Secular Coalition for Arizona does not endorse candidates. Instead, we offer you the opportunity to provide your position on issues important to our constituency. We will present your answers on our website exactly as you submit it to us as part of the Secular Coalition for Arizona Candidate Guide.

Instructions: Please indicate your level of agreement with the following statements. Please make comments if you would like to clarify your statement. Your answers will be published exactly as you return it to us. Questions? Contact Tory Roberg, Director of Government Affairs, tory@secularaz.org
