Secular AZ News

Keeping watch

Approximately 1,060 bills have now been dropped at the Legislature. While no action is yet necessary, **Secular AZ is watching about 60 of these**, including bills about:

- Holocaust education
- Sex/HIV/AIDS/dating education
- Patient's right to know
- Transgender discrimination in public schools
- End of life decisions
- STO's and ESA's
- Crisis pregnancy centers
- The "Born Alive Abortion Survivors Protection Act"

Please stand by for alerts; some of these bills may require our mobilization before next weekend.

What you can do in the meantime:

1. Sign up for and learn how to use [Request to Speak](#)

RTS accounts must be set up at the Capitol, but we can do this for you! Once your account is active, you can comment on bills in committee from the comfort of home. [Email us](#) if you'd like to get started or need help.

2. Make sure you are signed up for [Phone2Action](#) text message alerts.

Secular Summit

Join us on February 24, 2020, for our 7th Annual Secular Day at the Capitol.

David Tamayo, Founder and President of [Hispanic Freethinkers \(HAFree\)](#), will deliver the keynote address.

HAFree is the first and only national Latino non-profit educational organization of its kind. It serves as a resource and support to all Hispanic freethinkers in promoting the search for truth through rational thought.

Don't delay... it's just a month away! Register online for free [here](#).

American Atheists Convention

Hundreds of atheists will gather in downtown Phoenix, Arizona, from Thursday, April 9 through Sunday, April 12 for the annual American Atheists National Convention.

Join us to take part in the presentations, social events, comedy and game nights, workshops, exhibits, networking, and community events that make this conference the highlight of the year for hundreds of American atheists.
